General rules of the competition:

1. The competition will be ruled according to FAI-Sporting Code Section 4 – Aeromodelling Volume 5, 2018 Edition.
2. All participants of the competition will be asked to present valid FAI license at the competitor's registration and mandatory valid insurance for 2018: liability for damage to third parties which covers accident on Polish territory related to aeromodelling.
3. The Organiser plans 8 or 6 qualifying rounds and 3 fly-off rounds. If only a few participants take part in the competition the Organizer will have the right to shorten the Contest down to one day competition.
4. Contest director may reduce the number of qualifying/fly-off rounds or postpone the qualifying round/s to the next day due to unfavourable weather conditions or other unpredictable circumstances that may affect negatively on the results or participants' safety.
5. The Organiser does not take any responsibility for harm of humans/animals or damage in property in the name of participants of the Contest or any spectators that may appear in case of careless behaviour or as a consequence of violation the Organiser's/Contest director commands.
6. It is forbidden to fly any RC models while the competition is in progress unless it is authorized participant's contest flight.
7. No awareness of General rules of the competition does not terminate the participant from potential responsibility.
8. Protests: Deposit 100 zł, protest in written form until 20 min. from the questionable situation or from the publication of the results should be delivered to Contest director/Chairman of the Jury. If the protest is accepted, the deposit will be returned. Otherwise it is not refundable.
9. If less than 6 participants are registered and their entry fees are fully paid by the end of the 18th MAY 2018 the Contest will be cancelled. All entry fees are refundable.
10. Frequencies: allowed transmitters that are legal to be used at the Polish territory only.
11. Current FAI rules are available here: <http://www.fai.org/ciam-documents>

Organizer reserves the right to modify the programme of competition in cooperation with Contest Director in case of unforeseen circumstances.
